

COOKIE POLICY

Document: TC-COM-COOKIES **Version:** 1.0 **Effective date:** June 18, 2026 **Site:** <https://tinycio.com>

This Cookie Policy explains the cookies and similar technologies used on <https://tinycio.com> and how to manage them.

1. What cookies are

Cookies are small files stored on your device when you visit the Site. They help recognize your browser, remember preferences, and operate the services. Similar technologies (localStorage, pixels, device identifiers) may also be used.

2. Cookies we use

Category	Purpose	Basis
Strictly necessary	Authentication, security, Customer Portal, session	Required; no consent needed
Functional	Language, region, interface preferences	Consent (where required)
Analytics	Aggregated usage statistics	Consent (where required)
Marketing	Relevant offers and ad measurement	Consent (where required)

3. Consent and control

3.1. Where required by law (e.g., for EEA/UK visitors), a consent banner is shown on first visit; non-essential cookies are set only after consent. For other visitors, you can manage preferences via the Site's cookie settings and your browser.

3.2. You can change or withdraw your choices at any time. Disabling strictly necessary cookies may make parts of the Site unavailable.

4. Do Not Track / Global Privacy Control

Where applicable, we honor recognized opt-out preference signals (such as Global Privacy Control) consistent with the Privacy Policy (TC-COM-PRIVACY).

5. Retention

Session cookies expire when you close the browser; persistent cookies last for the period set for each category (typically up to 12 months) or until deleted.

6. Third parties

Some cookies may be set by third-party services (analytics, advertising), governed by their own policies.

7. Changes

We may update this Policy; the current, dated version is posted on the Site.

Recommended cookie banner text

We use cookies to operate the site, measure usage, and improve our service. Click “Accept all” to consent to all categories, or choose in “Settings.” Learn more in our [Cookie Policy](#).
